- 1 To receive and adopt the financial statements of the Company and the directors' and auditors' reports thereon for the year ended 30 June 2022.

- 3 To reappoint Gordon McArthur (who retires by rotation and, being eligible, offers himself for re-election) as a director of the Company.

4 To reappoint Grant Thornton UK LLP, Chartered Accountants, as auditors of the Company from the conclusion of this meeting until the conclusion of the next general meeting at which accounts are laid before shareholders and to authorise the directors to fix the auditors' remuneration.

(a) comprising equity securities (as defined in section 560(1) of the Companies Act 2006) up to an aggregate nominal amount of £54,505.64 (including within such limit any shares issued or rights granted under paragraph (c) below) in connection with an offer by way of rights issue:

(i) to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and

(ii) to the holders of other equity securities as required by the rights of those securities or as the directors otherwise consider necessary, and subject to such exclusions or other arrangements as the directors consider expedient in relation to fractional entitlements, legal, regulatory or practical problems under the laws of, or the requirements of any regulatory body or stock exchange in, any territory, or any other matter;

(c) in any other case up to an aggregate nominal amount of £27,252.82 (such amount to be reduced by the nominal amount of any equity securities allotted pursuant to the authority in paragraph (a) above in excess of £27,252.82), provided that such authority, unless renewed, varied or revoked by the

Company, shall expire on 31 December 2023 or, if earlier, the date of the next annual general meeting of the Company after the passing of this resolution save that the Company may, before such expiry, make an offer or agreement which would or might require equity securities to be allotted after such expiry and the directors may allot equity securities in pursuance of such an offer or agreement as if the authority conferred hereby had not expired.

This resolution revokes and replaces all unexercised authorities previously granted to the directors to allot shares in the Company and to grant rights to subscribe for, or to convert any security into, shares in the Company but is without prejudice to any allotment of shares or grant of rights already made, offered or agreed to be made pursuant to such authorities.

(b) to the allotment of equity securities pursuant to paragraph 5(b) above; and

(c) to the allotment of equity securities or sale of treasury shares (otherwise than pursuant to paragraphs (a) and (b) above) up to an aggregate nominal amount of £8,157.85.

such authority to expire at the end of the next annual general meeting of the Company (or, if earlier, at the close of business on 31 December 2023) but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the board of directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

7 THAT, subject to the passing of resolution 5, the directors of the Company are authorised in addition to any authority granted under resolution 6 to allot equity securities (as defined in section 560(1) of the Companies Act 2006) for cash under the authority given by resolution 5 and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Companies Act 2006 did not apply to any such allotment or sale, such authority to be:

such authority to expire at the end of the next annual general meeting of the Company (or, if earlier, at the close of business on 31 December 2023) but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the board of directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

8 THAT the Company be and is hereby generally and unconditionally authorised for the purposes of section 701 of the Companies Act 2006 to make one or more market purchases (within the meaning of section 693(4) of that Act) of ordinary shares of 0.125 pence each in the Company provided that:

(a) the maximum number of ordinary shares hereby authorised to be purchased is 6,540,676, representing 10% of the Company's issued ordinary share capital at the date of the notice of this annual general meeting);

(b) the minimum price (exclusive of any expenses) which may be paid for each ordinary share is 1 pence;

(c) the maximum price (exclusive of any expenses) which may be paid for each ordinary share shall be not more than 5% above the average of the middle market quotations for an ordinary share on the relevant investment exchange on which the ordinary shares are traded for the five business days immediately preceding the date on which such ordinary share is contracted to be purchased;

(d) unless previously revoked or varied, the authority hereby conferred shall expire on the conclusion of the next annual general meeting of the Company; and

(e) the Company may make a contract or contracts for the purchase of ordinary shares under this authority before the expiry of this authority which would or might be executed wholly or partly after the expiry of such authority, and may make purchases of ordinary shares in pursuance of such a contract or contracts, as if such authority had not expired.

EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING BEEKS FINANCIAL CLOUD GROUP PLC

Ordinary Resolutions

Resolutions 1 to 5 are all to be proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolution 1 – To receive and adopt the financial statements for the year ended 30 June 2022 and the directors’ and auditors’ reports thereon

For each financial year the directors of the Company must present the audited financial statements, the directors’ report and the auditors’ report on the financial statements to the shareholders at an annual general meeting.

Resolution 2 – To approve the directors’ remuneration report

Shareholders are asked to approve the directors’ remuneration report which may be found in the annual report on pages 28 to 30. This resolution is an advisory one and no entitlement to remuneration is conditional on the resolution being passed.

Resolution 3 – Re-election of Gordon McArthur

Under article 85 of the Company’s articles of association one third of the directors are required to retire by rotation at each annual general meeting (excluding any director who is required to retire pursuant to article 90 of the Company’s articles and provided that if the number of directors who are the subject of the article 85 retirement by rotation provisions is not a multiple of three then the number nearest to, but not exceeding, one third shall retire by rotation). Gordon McArthur has opted to retire from office by rotation at the annual general meeting and, being eligible, will offer himself for reappointment. The board of directors is satisfied that the performance of Gordon McArthur continues to be effective and demonstrates his commitment to his role with the Company including commitment of time for board meetings and other duties required of him. Accordingly, resolution 3 proposes the reappointment of Gordon McArthur.

Resolution 4 – Re-appointment and remuneration of auditors

The Company is required at each general meeting at which financial statements are presented to shareholders to appoint auditors who will remain in office until the next such meeting. Grant Thornton UK LLP have expressed their willingness to continue in office for a further year. In accordance with company law and corporate governance best practice, shareholders are also asked to authorise the directors to determine the auditors’ remuneration.

Resolution 5 – Authority to allot shares

Under section 551 of the Companies Act 2006, the directors of a company may only allot shares or grant rights to subscribe for, or to convert any security, into shares in the Company if authorised to do so.

In line with guidance issued by the Investment Management Association (now the Investment Association), the authority contained in paragraph (a) of this resolution will (if passed) give the directors authority to allot ordinary shares in connection with a rights issue in favour of ordinary shareholders up to an aggregate nominal amount equal to £54,505.64 (representing 43,604,510 ordinary shares of 0.125 pence each) as reduced by the nominal amount of any shares issued under paragraph (c) of this resolution. This amount (before any reduction) represents approximately two-thirds of the issued ordinary share capital (excluding treasury shares) of the Company as at the latest practicable date prior to publication of the notice of the meeting.

The authority contained in paragraph (b) of this resolution will (if passed) give the directors the authority to allot ordinary shares up to an aggregate nominal value of £8,175.85 (representing 6,540,676 ordinary shares of 0.125p each) in connection with the issue of shares pursuant to any share option scheme of the

Company. This amount represents approximately 10% of the issued ordinary share capital (excluding treasury shares) of the Company as at the latest practicable date prior to the publication of the notice of the meeting. This authority will expire on 31 December 2023 or, if earlier, at the conclusion of the next annual general meeting.

The authority contained in paragraph (c) of this resolution will (if passed) give the directors the authority to allot ordinary shares up to an aggregate nominal value of £27,252.82 (representing 21,802,254 ordinary shares of 0.125 pence each). This amount represents approximately one-third of the issued ordinary share capital (excluding treasury shares) of the Company as at the latest practicable date prior to the publication of the notice of the meeting. This authority will expire on 31 December 2023 or, if earlier, at the conclusion of the next annual general meeting.

Special Resolutions

Resolutions 6, 7 and 8 will be proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolutions 6 and 7 – Disapplication of statutory pre-emption rights

The Companies Act 2006 gives holders of ordinary shares, with limited but important exceptions, certain rights of pre-emption on the issue for cash of new ordinary shares or on the sale of any shares which the Company may hold in treasury following a purchase of its own shares. The directors of the Company believe that it is in the best interests of the Company that the board of directors of the Company should have limited authority to allot some shares for cash or sell treasury shares without first having to offer such shares to existing shareholders. The directors' current authority expires at the close of the forthcoming annual general meeting.

The authority sought by way of resolution 6 would expire at the earlier of the close of the next

annual general meeting or 31 December 2023. The authority, if granted, will relate to the allotment of new ordinary shares or the sale of treasury shares in respect of (a) rights issues and similar offerings, where difficulties arise in offering shares to certain overseas shareholders, and in relation to fractional entitlements and certain other technical matters, (b) the allotment of ordinary shares pursuant to any share option scheme of the Company having an aggregate nominal value not exceeding £8,175.85 (being equal to 10% of the issued ordinary share capital (excluding treasury shares) of the Company as at the latest practicable date prior to the publication of the notice of the meeting), and (c) generally to allotments (other than in respect of pre-emptive offerings) of ordinary shares or the sale of treasury shares having an aggregate nominal value not exceeding £8,175.85 (being equal to 10% of the issued ordinary share capital (excluding treasury shares) of the Company as at the latest practicable date prior to the publication of the notice of the meeting).

Resolution 7, if approved, would give the directors of the Company an additional authority to issue ordinary shares, or sell treasury shares, for cash in connection with an acquisition or capital investment of kind contemplated by the Pre-Emption Group's Statement of Principles up to an additional aggregate nominal amount of £8,175.85 (being equal to 10% of the issued ordinary share capital (excluding treasury shares) of the Company as at the latest practicable date prior to the publication of the notice of the meeting). The directors confirm that they will only allot shares pursuant to this authority where the allotment is in connection with an acquisition or specified capital investment (as defined in the Pre-Emption Group's Statement of Principles) which is announced contemporaneously with the allotment or sale, or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment of sale.

The powers given by resolutions 6 and 7 will, unless sooner revoked or renewed by the Company in a general meeting, last until the earlier of the close of the next annual general meeting or 31 December 2023.

Resolution 8 – Authority to purchase the Company’s own shares

This resolution grants authority to the Company to make purchases of up to a maximum of 10% of the issued ordinary share capital of the Company as at the date of the notice of this meeting.

In certain circumstances it may be advantageous for the Company to purchase its ordinary shares. The directors would use the share purchase authority with discretion and purchases would only be made from funds not required for other purposes and in light of market conditions prevailing at the time. In reaching a decision to purchase ordinary shares, your directors would take account of the Company’s cash resources and capital, the effect of such purchases on the Company’s business and on earnings per ordinary share.

The directors have no present intention of using the authority. However, the directors consider that it is in the best interests of the Company and its shareholders as a whole that the Company should have flexibility to buy back its own shares should the directors in the future consider that it is appropriate to do so.

In relation to any buy back, the maximum price per ordinary share at which the Company is authorised in terms of resolution 8 to effect that buy back is 5% above the average middle market price of an ordinary share for the five business days immediately preceding the date on which the buy back is effected.

The statutory provisions governing buy backs of own shares are currently contained in, inter alios, sections 693 and 701 of the Companies Act 2006.
